3E CONFERENCE

In 2015 Miller Management Systems called together a steering committee comprised of area wide church and Christian business leaders. The committee created and launched the first Midwest Regional Church Administration Conference, or 3E Conference.

In the conference's first year over 100 ministries attended. The feedback from the event was overwhelmingly positive. 97% of attendees said they would return to the event if held again.

In February the steering committee met and reviewed input from the surveys and performed a strategic analysis for the future of the event.

We are pleased to announce that the 2016 conference will be held on September 22-23 in Lenexa, KS!

The theme of this year's event, "Call unto God", comes from Jeremiah 33:3.

"Call to me and I will answer you, and will tell you great and mighty things that you do not know."

This is a conference for everyone in church leadership who desires to improve their ministry through improved administrative skills.

- Pastors
- Elders
- Deacons
- Lay Leaders
- Church Staff
- Volunteers

The 3E Conference is designed to Educate, Equip, and Encourage those called to leadership and administration in their church.

THINGS YOU NEVER HEAR IN CHURCH

Hey! It’s my turn to sit on the front row!

Pastor, I was so enthralled, I never noticed your sermon went over time 25 minutes.

Personally, I find witnessing much more enjoyable than golf.

After the annual giving statement is open, “Wow, I gave a lot more to church than I thought!”

Forget the denominational minimum salary: let’s pay our pastor so they can live like we do.

I love it when we sing hymns I’ve never heard before!

Since we’re all here, let’s start the worship service early!

Pastor, we’d like to send you to this Bible Seminar in the Bahamas.
