

THE CHRONICLE

We exist to partner with you for Kingdom work.

WEBSITE SPOTLIGHT: 30TH PAGE

As our 30th year celebrations come to a close, we want to thank you for being a part of our story. Highlighting different aspects of the company this past year has been quite a treat for our staff, and we would encourage you to take one last look down memory lane before we delete our [30th celebration page](#).

On that page you can find old photos, links to posts, and tidbits about the world in 1989. If you have already seen the page, there have been some [special pictures added](#) recently.

All of us at Miller Management want to say a big **Thank You** to all our clients who, without your support, we wouldn't be around!

STAFF SPOTLIGHT: GLENN & KIM

In 1989 a vision was born in the Miller household. Glenn's story is one of overcoming failure and hearing God's call, but not knowing exactly how it fit into his life.

When he got a plan figured out, Kim was right on board with a great determination to help mothers keep their feet in the workplace part-time and still be able to be at home with their kids - what she was doing at the time. The staff of MM sure have benefited from their combined visions, and - we're certain - so has the Kingdom.

LUNCH 'N LEARN HIGHLIGHT

Our staff gathered together, over lunch of course, to learn more about ergonomics in the workplace. One of our favorite take-aways was: "It is as important to do small movements during the day as it is to 'work out'". [Read more on this blog post](#) of our take-aways from the event and some bonus links to other helpful resources of water, heart-health, and how to work out at work.
