MANAGEMENT

— Good Faith Accounting Partners —

WEBSITE SPOTLIGHT: THE COUNT

Whether your counting process is a well oiled machine, or needs a tune up, this section is for you. Miller Management believes financial integrity is crucial to a

successful ministry and that starts with proper management of incoming funds. We don't want to leave anyone behind in this area, so we provide multiple resources of help for both clients and non-clients alike.

Our team of experts can provide assistance either through our Administrative Audits, our workshops, or through personalized training in this area (along with many others).

To see if your ministry could use advice, accountability, or training, start with our [blog post](#) entitled "Counting Tips & Refreshers." Then you can determine your next course of action.

Chris Miller started with Miller Management for the first time many years ago; because that's what happens when you have a family business. But he has held his current full-time VP of Business & Product Development role since 2014.

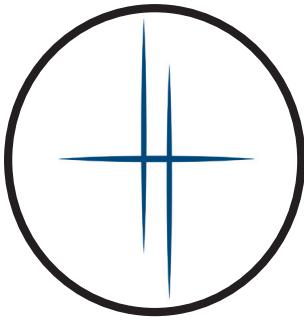

Working at MM has been a real blessing for him as he gets to "work with wonderful family & friends, in a wide variety of jobs." We appreciate his wide range of skills from practical problem solving to creative dreaming for the future.

He and his wife - and three children - are very involved in their church. He is excited to help churches fulfill their mission in both his personal and professional worlds.

THE HAPPENINGS

FOLLOW US ON SOCIAL

If you aren't currently following us on social media, you will want to make sure to tune into our posts for both National Payroll Week in September and Fraud Week in November.

NATIONAL PR WEEK

Speaking of National Payroll Week, this year the dates are September 7th - 11th. We will be sharing some helpful Payroll items during that week on our "[National Payroll Week](#)" [blog post](#) and on our social accounts, found above.

WELCOME, KERRY-ANN!

Kerry-Ann Camacho comes to us through Ashford University with highest honors and a veteran of the US Marines Corps. After working at a correctional facility and staying at-home with her children, she is eager to work with churches and other believers here at Miller Management. We are excited for all that she will contribute to our Client Services Department. Read her bio on our [Our People](#) page.

OFFICE HACK

Office Hack

August is back to school month. While that may look different this year, we wanted to provide a few helpful items during this time. Visit our [August 2020 post](#) for some ideas.

VERSE OF THE MONTH

James 1:27

"Pure and undefiled religion before our God and Father is this: to look after orphans and widows in their distress and to keep oneself unstained by the world."

CAPTAIN'S CORNER

"There is always enough money to do what God has called us to do."

- Dr. Glenn A. Miller
