WEBSITE SPOTLIGHT: YEAR-END

Welcome to another Year-End with Miller Management. 2020 may have seemed that we would never make it this far, but we have arrived!

First, you can find all the dates and forms on our [Year-End Webpage](#). Similar to the past couple year-ends, your Guide to Year-End can now be found online; but let us know if your organization is in need of a printed copy. If this is your first year-end, make sure you follow the instructions from your email.

Second, even though most of our resources are online, your team of experts are here to guide you through this process and answer any questions that may arise; if this is your first or thirty-first year-end with Miller Management.

Lastly, once your Guide is downloaded and all forms are completed, we would appreciate your feedback via our [Customer Satisfaction Survey](#). This is how we know how we are doing and find ways to improve each year. Thank you in advance!

Sara began at Miller Management as an Accountant last year and has experience in both the public and private sectors for over a decade before coming to MM.

She has been married to her husband for ten years and they have two boys. Keeping up with them keeps her very busy when she isn't reconciling accounts.

You also might find her at the lake, watching movies, baking, or reading books. Her and her family are also huge Chiefs fans.

STAFF SPOTLIGHT: SARA FRY

THE HAPPENINGS

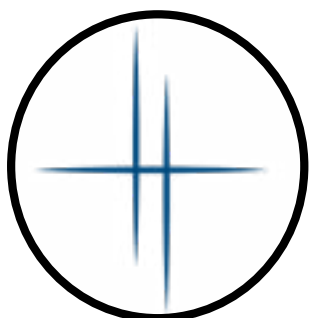

STAFF APPRECIATION WEEKS

As we mentioned in our [previous client newsletter](#), we celebrated National Payroll Week in September. We also had the opportunity to celebrate our Accountants and Client Services teams in other weeks this year. If you missed any of those, you can read more about our team and find helpful industry related articles inside our posts.

[Payroll](#) | [Accounting](#) | [Client Services](#)

PASTOR APPRECIATION MONTH

October is Pastor Appreciation Month. This year we thought Church Leaders could use a little extra encouragement, so we compiled some prayers to pray: either for yourself or your Minister. View our [Pastor Appreciation: Prayers](#) post, or read the Office Hack section of this newsletter for another idea.

WELCOME, KATHY!

Kathy Miller recently moved to Missouri from Wisconsin and has many years of customer service experience. Most recently she has worked in a healthcare setting. We look forward to seeing all that she will contribute to the Client Services Team. Read her bio on our [Our People](#) page.

OFFICE HACK

Co-Worker Check In

Only seeing your co-workers via video calls? Reach out with a snail mail card to let them know you are thinking about them. Find other ways to appreciate your team from our [Pinterest](#) board.

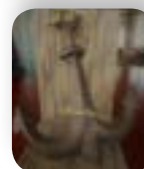

VERSE OF THE MONTH

Romans 12:13

“Contribute to the needs of the saints and seek to show hospitality.”

CAPTAIN'S CORNER

Change will happen in ministry, the question is will it happen as it is needed or when we have no choice?

- Dr. Glenn A. Miller
