INDUSTRY SPOTLIGHT: MORE TEAM LEADS

In our last client newsletter we had exciting [Team Lead](#) announcements, and in this edition we are continuing the congratulations. More team leads were added to the mix of our growing team, to help continue to give our clients the best experts in the field. Also recently announced were the promotions of both Lisa Coonfare and Jennifer Ross.

More information can be found [in this blog post](#). As you can tell, when appropriate we like to promote from within. [Feel free to drop a note of congratulations here](#), or send them an email.

Beth is a Payroll Specialist here at Miller Management. She brings with her 7 years of HR experience with non-profits and corporations. When she isn't running a Payroll, you can find her co-leading Kids Ministry at her church, baking, or spending time with her husband and three children.

“Serving churches and nonprofits in my role here is an absolute joy and privilege. Being able to play just a small part in the incredible work they're doing day in and day out is an honor! Our clients are doing some of the hardest work there is, and if I can make their job a little bit easier, that brings me joy.”
