### FINANCIAL LITERACY MONTH

April is Financial Literacy Month and the staff of Miller Management are always excited to share best practices with anyone who will listen.

This year we have a brand new post on [Common Financial Questions](#). Our teams took the top question from each department and delivered in-depth answers for hot topics. Plus, they detailed where you could find the information on your own, when necessary.

Do you ever wonder what a certain account balance looks like? The last time you paid a vendor? Or the details on a specific payroll check? You may remember your MM rep going over that in the training, but that's been a while now. Well, we have you covered; read more about GL Reporting, Payroll Journals, and 1099s in our [brand new post](#).

## Industry Resource

### Reading and Understanding Reports

### 2024 COURSES

Fireproof Your Ministry and How to Read and Understand Financials courses were both successes in April. This summer, our line up continues with [Downloading Reports and Data from Accounting CS](#), and [How to Utilize your Weekly Dashboard](#). Both are free for clients! Save the dates of June 25th & 26th to learn more about these tools for interpreting your financial data.

Having accurate reports is only half the battle, if you don't know what to do with the information provided. That's where our experts can help. Registration is now open for both of these courses - registration is needed to save your seat. Read more about how this training department started in our [2004 to 2004 Trainings](#) post.

***"[This course was] super helpful - thank you for understanding what your clients need and providing it!"***

### PODCAST

March episodes focused on [Communication in Ministry](#). Starting with one on one communication - to learn the building blocks - to facilitating group communication well. Bonus content on how to run a meeting well is also discussed.

## MM Highlights

### WELCOME CYNDI & BEATRICE AND THANK YOU, ANA!

We have two new faces to welcome to the MM team: Cyndi in Payroll and Beatrice in Client Services. We are excited for what each lady can bring to their team and MM as a whole. Read more about our newcomers on our [website](#).

We also had the opportunity to send Ana off into retirement this month. While we will miss her expertise, compassion, and knowledge, we wish her the best in this next season of life. We are thankful for her nine years of quality, innovation, and service to MM's clients and staff.

*"Jesus said to him, 'If you want to be complete, go and sell your possessions and give to the poor, and you will have treasure in heaven; and come, follow Me.'"*  
*Matthew 19:21*

### STAFF HIGHLIGHT: RACHEL DAVIS

Hired in 2018, Rachel went from CSR to Team Lead pretty quickly. She has been able to grow in leadership, help develop and pilot new products, and hire and train new team members. Rachel finds fulfillment and joy working alongside her wonderful colleagues and amazing clients.

She and her husband have two kids and a golden doodle, and enjoy being outdoors as a family. When Rachel isn't co-leading the CSR department, she might be homeschooling, weightlifting, running, playing pickleball, or eating Mexican food. To read more about Rachel, [visit our website](#).
