*Founded in 1989*

### SUMMER SERVICE

Summer can be an interesting time in the life of ministries. While there is often more events, there also seem to be less people in the seats on Sundays, and less offering money in the bank. Your staff at MM have been praying for this season in your organization. That it would be a rewarding and fruitful time in the lives of your volunteers, campers, and those attending mission trips and VBS.

In the spirit of service, the MM staff also took some time to tackle a few projects in our **Serve Days**. Each year we find a way to provide a little help to one of our clients for a half day of service. The staff gets a behind the scenes look at our client's space, hear more about their story and mission, and then provide some assistance to help with that overall mission; in a way not surrounding finances. Always a great time for all.

## Industry Resource

### 2024 COURSES

Speaking of offering money in the bank, one of our next courses is on Offering Counting. It's our most popular course since we provide a roadmap to setting up an effective and efficient counting system complete with procedures, forms, and all the necessary components needed to be successful. We also provide the IRS guidelines your ministry needs to know to stay in compliance.

For only \$25, join us on Wednesday, July 24th at 2:00 pm to learn all about [Offering Counting Teams](#). Also upcoming is our [Budgeting course](#) (free to clients in September) and a course on [Ministerial Taxes](#) (only \$25 in October). Registration is now open for all three of these courses; [sign up here to save your seat](#).

### THROWBACK: SPACES OF MM

Journey through our 35 years of spaces, [new on the blog](#). Now we know it's not always about the space, but what goes on inside that really matters. A sense of belonging and community can be found in renting, pop-ups, houses, and storefronts, etc. For our throwback section, we are walking through all our spaces over the years of MM.

### SUMMER INTERN PROGRAM

Summer is also a great time to hire seasonal help in our industry. We have a high school and college intern program for aspiring accountants to gain some real-world experience in this field. Some of our full-time hires have also come from this program as we find that sometimes we are both a good fit for each other.

Welcome to our new seasonal help (and welcome back to a few of you as well). We are excited for the opportunity this creates for MM to help our clients to a greater capacity.

*“Thus says the Lord: Behold, I will restore the fortunes of the tents of Jacob and have compassion on his dwellings; the city shall be rebuilt on its mound, and the palace shall stand where it used to be.” - Jeremiah 30:18*

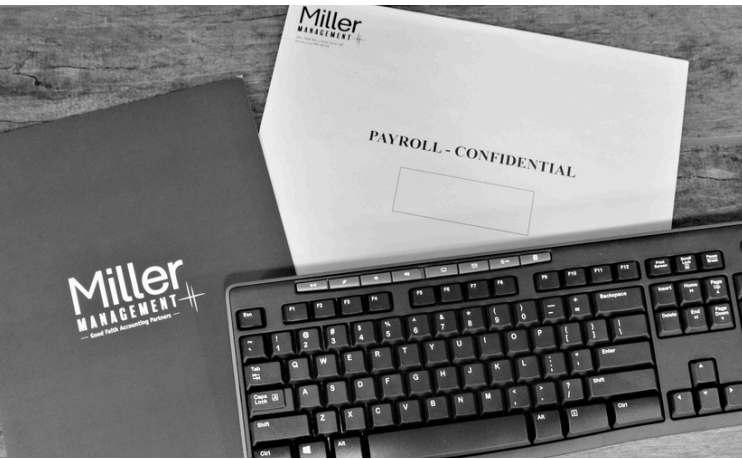

### STAFF HIGHLIGHT: KEN MOWERY

**Ken** has been a courier for MM for the past 7 years. If you have him as your courier, you know he loves his job. Before coming to us, he worked in LTL transportation for 30 years. He was previously married for 54 years before his wife passed away, and this August, Ken & Shirley will celebrate 5 years of marriage. Some other fun facts about Ken include his background as a Music Minister and singer in a Southern Gospel Quartet. He also loves Motorsports and spent 12 years running a fan club for NASCAR driver Rusty Wallace. He also restored a 1957 Chevrolet, doing most of the work himself. His current hobbies include gardening.
