PAYROLL IS FOR EVERYONE

Everyone's favorite: Pay Day! Not everyone's favorite: Payroll Taxes day. Well, that's why MM is here to help. No longer are you worried about calculating the correct tax amounts, or have total confusion over housing allowance, or are unclear if someone should receive a W-2 or 1099, MM has you covered.

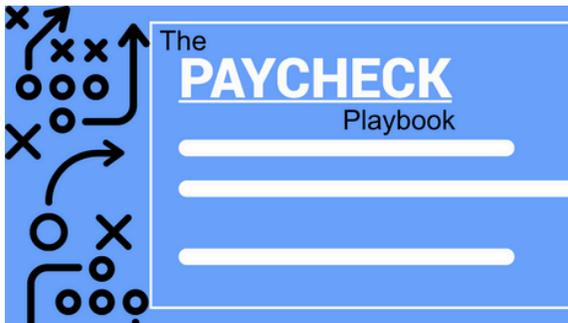

We also make the submission process as painless as possible. Your payroll calendar provides all the due dates for your specific organization; and our newest blog: [Submitting PR through the File Exchange](#) walks you through the online submission process.

For those who may not know, we also provide services for online access, a [time and attendance](#) system, and a [payroll portal](#). If those services are not familiar to you, reach out to your MM representative with questions; or discuss with Jennifer Ross how to add services to your existing MM package.

Lastly, some of our payroll reports are in the process of an update, and we are providing a [free 30-minute training course on July 15th](#) to go over those updates. We want you to have clarity in reading your reports and better prepare you to make confident financial decisions.

CORE VALUES

Next in our walkthrough of Miller Management's Core Values series: [Core Value #4: Respect](#) and [#5: Servant Heart](#). These two were similar in nature where our focus should be ordered by: clients, management, co-workers, self. While keeping God at the center and making sure we are providing administrative services to help our clients perform their mission.

MM Highlights

THE ENCOURAGEMENT JOURNAL

Leaning into the “Good Faith” part of our name; each month our staff have the opportunity to attend an internal Chapel with both music and a special speaker. We’ve mostly kept them to ourselves over the years, but wanted to bring you in this year and spread the encouragement. We will also try to keep it relevant to the “financial partner” part of our tag line.

Continuing this series with March’s topic about [the King of my Heart](#) and April’s topic surrounded [Humor & Joy as a Christian](#). May focused on [The Blessing of Generosity](#) & June asked the question, [Who Are You in Christ?](#)

“Now the Lord said[a] to Abram, “Go from your country and your kindred and your father's house to the land that I will show you. And I will make of you a great nation, and I will bless you and make your name great, so that you will be a blessing.”
- Genesis 12:1-2

STAFF SPOTLIGHT: JILL FLYNN

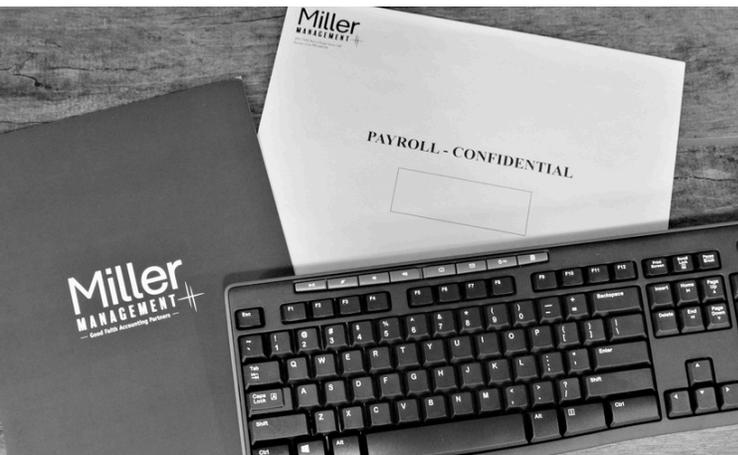

[Jill Flynn](#), has been an Accountant at MM for the past two years. She is thankful to work with such wonderful people here at MM, serving our clients and making a difference together. Her clients bring her much joy!

Her and her husband are about to celebrate three decades of marriage. They love spending time with their daughters and future son-in-law, taking walks or riding bikes, and playing games. You may also find Jill baking or cooking for her family.

BEHIND THE SCENES AT MM

This section of *The Chronicle* this year will focus on the human side of your accounting robots, I mean partners. This time around we are highlighting our [2025 serve days](#). We visit a client and help with different needs in a very tangible way, a little different than our normal payroll and accounting interactions. If you could use help at your organization and want to put your name into the mix for a future serve day, please [contact our team](#). We are always looking for new places to serve.
