MANAGEMENT

*Founded in 1989*

## DEBIT VS CREDIT BEST PRACTICES

Miller Management will always suggest utilizing credit over debit, for a few reasons. 1. Extra Accounting; 2. Accountability & Control; 3. Fraud Management.

Because debit cards withdraw funds from your bank account for each purchase, each purchase must be recorded as a unique transaction in your General Ledger. While this is certainly achievable, it does create a lot of extra work in preparing clear and accurate financial reports for your team. Something we are certainly passionate about here at Miller Management.

Typically, with most business credit cards, multiple users and cards can be issued for your unique needs – all connected to the one main church “account.” We recommend all clients institute a Credit Card Policy & Agreement for all cardholders. (A free sample is available on our [website](#).)

While we hope you never encounter a need for fraud protection, it is an increasing likelihood that most churches and non-profits will face this at some point. And because of that risk, fraud liability is our strongest motivator in encouraging the use of credit cards above debit cards. [Finish the article on our blog...](#)

### SUMMER SEASON

Summer for Miller = Conference Season. We love getting to see our clients out and about. We had the opportunity to visit two conferences in June and will be heading for some others later this fall. Stop by to say hi and grab some MM swag! What does summer look like for your ministry? Is it a slower season of "ordinary things" while at the same time a ramp up for kid's and children's ministry related events? If that's the case, we want to draw your attention to some items related to those **non-monetary giving** items you might be accumulating during these lazy days of summer.

***Did you hear? Miller Management is looking to add to our [Courier](#) staff. This Kansas City based part-time work is great for retired persons or those wanting to add just a few hours per week to their work load. Email [Melani Fryer](#), our Courier Coordinator, with your resume to apply.***

## MM Highlights

### 2026 SERVE DAYS

Once a year we don our Miller t-shirts and head out into the wild. This time, not looking to correct 1099 violations. Or fix housing allowance budgets. Not even to dig through your financials for an audit. Nor provide stellar training to our newbies. While we do all those things, these trips are all about the sweat, the sore muscles, and fun memories. It's our **annual serve days!**

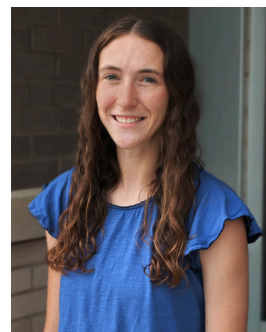

*"...but his delight is in the law of the Lord,  
and on his law he meditates day and night." - Psalm 1:2*

### STAFF SPOTLIGHTS

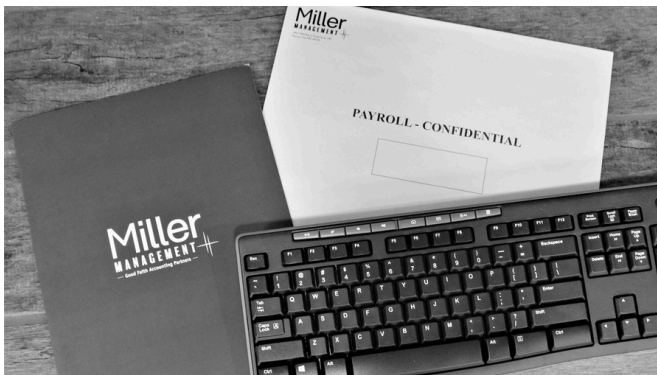

We have two very big welcomes on this Staff Spotlight section. First, a big welcome to **Matthew Cobb!** He came to us as the Client Services Manager. He is seamlessly filling that need and we are extremely grateful to have him.

Second, we are happy to announce that one of our faithful "summer interns" has earned her Accounting degree and is choosing to join us as a full-time Accountant. Welcome (officially) **Morgan Wood** to the MM Team.

### ENCOURAGEMENT JOURNAL

Leaning into the “Good Faith” part of our name; each month our staff have the opportunity to attend an internal Chapel with both music and a special speaker. Sharing a little taste of those on our blog.

**May:** [What Do You Delight In?](#) Our harsh realities are either life abundant or death. **June:** We are called to [Love Forever](#). But as we already know, it's not on our own.
